Upholstered bed

UNO GEO

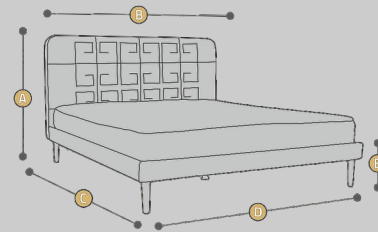

The UNO GEO upholstered bed with a flat, low frame is minimal in form. The headrest design inspired by the classic, geometric artdeco patterns and a palette of bold colors will fit into any modern interior.

A stable plywood frame with a set of double, strong spring strips. The legs made of solid wood, 20 cm high, additionally finished with transparent plexiglass give extraordinary lightness.

A high mattress (up to 23 cm) with a 100% pocket spring in the amount of 450 pcs. The use of such springs ensures optimal air circulation and ventilation inside the entire mattress. These solutions extend the life of the mattress and improve its hygienic qualities.

All versions of upholstered beds are available in various color variants, thanks to which everyone will adjust the color of the fabric to the appearance of their bedroom
